Sub: Nomination for Young Engineer Award - Extension of submission deadline

Dear Colleagues:

Kindly refer to the letter dated Feb.25, 2020 seeking nomination of promising young professionals from you for selection as one of the Young Engineer Awards of INAE. You may recall that the nomination deadline was set at Apr 15, 2020. However, in view of the unprecedented global crisis due to the pandemic caused by Covid-19 virus and related 21-day locked down (social distancing) period until April 15, 2020 announced by the Government of India to prevent infection outbreak in India, the President INAE is please to **extend the deadline of submission of nomination to April 30, 2020**. Furthermore, it is decided that submission of the entire nomination document as per approved format and all supporting documents/appendices can be submitted by email as a pdf file to INAE (lnae@lnae.in) as a special provision only for this year. In case, the document is not signed (with scanned copy of the signature pages), INAE Office shall confirm the authenticity of the nomination received by checking with the nominator either through email or on phone.

We look forward to receiving nominations of deserving candidates for selection as one of the Young Engineer Awards of INAE this year at your earliest convenience, but not later than the revised deadline of **April 30, 2020**.

With kind regards,

Yours sincerely,

(Indranil Manna)
