Sub: Nomination for INAE Woman Engineer of the Year Award 2020 :

Alternate method for submission of nominations in view of Lockdown

Dear Fellow,

Kindly refer to the letter dated March 13, 2020 seeking nomination for INAE Woman Engineer of the Year Award 2020 by **May 15, 2020**. In the usual circumstances, the Nomination Form is required to be signed by the proposer and seconder and signed hard copy is to reach the INAE office by the stipulated deadline.

In view of the unprecedented global crisis due to the pandemic caused by SARS-Covid-19 virus and subsequent lockdown (social distancing) period prevailing in the country since Mar 25, 2020 rendering the postal service inoperative, the President INAE has kindly agreed that submission of duly signed nomination by email (to lnaehq@inae.in) from the INAE Fellow proposing the nomination will be accepted this year with all necessary documents attached with the mail as a combined or separate document(s) in pdf format. Kindly declare the 'subject' of the mail as 'Nomination of (name of the nominee) for the INAE Woman Engineer Award'. The nomination may include a proof (email or letter) from the Seconder (also an INAE Fellow) that he/she has endorsed the nomination. As an alternative, the Seconder may even send a separate mail directly to INAE to convey his/her support/endorsement with identical subject line. In case the nomination is not signed by the nominator/proposer, INAE Office shall confirm the authenticity of the nomination received by checking with the nominator either through email or on phone.

We look forward to receiving nominations of deserving candidates for INAE Woman Engineer of the Year Award 2020 at your earliest convenience, but not later than the deadline of **May 15, 2020**.

With kind regards,

Yours sincerely

(Indranil Manna)
