

Guidelines for AICTE - INAE Travel Grant Scheme for Engineering Students from AICTE approved Engineering College/Institution

Introduction

For enhancing the quality of engineering education in the country and to inculcate a culture for research amongst the students, a scheme introduced to provide financial support to the engineering students to present papers abroad.

Objective

The objective of the scheme is to provide partial travel assistance and registration fees to Bachelors and Masters Level engineering students for presenting a research paper in an international scientific event (conference/ seminar/ symposium/ workshop/ exhibition etc.) in order to encourage engineering students to engage in research

Eligibility

- (i). Pre-final and final year students of B.E./B.Tech or Integrated M.Tech and first and second year students of M.E./M.Tech from AICTE approved Engineering Institutions are eligible under the scheme
- (ii). Students pursuing MS Research, M.Sc. in Engineering, dual degree in B.Tech and M.Tech or any degree with minimum 4 years of engineering studies.
- (iii). Students with minimum 7 CGPA or 65 Percentage and above are eligible to apply under this scheme.
- (iv). The student should have a letter of acceptance for presenting a research paper which has been accepted in a conference/seminar/symposium/workshop/exhibition abroad.
- (v). A student is eligible only once during his/her study for financial support under the subject scheme.

Financial Support

- (i). The reimbursement of 100% Registration Fee, Visa Fee including travel insurance up to Rs. 5000/-
- (ii). The reimbursement of 50% of the actual Airfare for discounted /concessional air tickets along with local transport from airport to the venue for presentation, in case not claimed from any other source.
- (iii). Actual fare not exceeding AC II Class train fare will be admissible for travel from the Technical Institution to the nearest airport and back (in India).
- (iv). The maximum financial support per student for all above reimbursements is limited to Rs. 1 lakh.

Procedure to Apply

- (i). The application should be sent at least eight weeks prior to the date of presentation of the research paper through email at inaehq@inae.in and hard copy as well at the following address:

Executive Director
Indian National Academy of Engineering (INAE)
Ground Floor, Block-II,
Technology Bhavan,
New Mehrauli Road,
New Delhi-110016
Phone: 011-26582475
Website: www.inae.in

- (ii). All supporting documents to be submitted along with the application form as per the list of enclosures mentioned.
- (iii). The submission of a proposal does not automatically mean that it has the approval.
- (iv). If the paper is co-authored, then a no-objection certificate(s) from the other author(s) should be attached with the application. In case of two or more applications for the same paper(s) only one application will be considered, and priority will be given to the first author.

Submission of the claim & Release of grant

The applicant shall submit a claim form in the prescribed format along with all enclosures within one month after the international scientific event is over for processing the release of grant. The entire amount will then be disbursed to the candidate in one instalment
