

Obituary

Mr. VCV Chenulu

(December 01, 1931 - December 1, 2022)

Mr VCV Chenulu, FNAE born on December 1, 1931 passed away on December 1, 2022. He was elected to INAE Fellowship in the year 1990 and affiliated to ES - V (Electrical Engineering).

Mr VCV Chenulu, Formerly Member (Electrical), Railway Board, Indian Railways held various important appointments in Indian Railways such as Assistant Electrical Engineer, Chief Electrical Engineer; Director General (Research, Designs & Standards Organization) and as the first Member (Electrical) Railway Board. As Member (Electrical), he made significant contributions in development of proper infrastructure for discharging the responsibility of reliable and efficient operation and maintenance of Electrical assets under his charge. In the modernization plans, acquisition of three phase high horsepower electric locomotives was a major step, under his guidance. The Research Designs and Standards Organisation (RDSO) and the Chittaranjan Locomotive works also successfully upgraded the designs and improved reliability, under his tenure.

May God Bless His Soul to Rest in Peace
