

Indian National Academy of Engineering (INAE)

Vaishvik Bharatiya Vaigyanik (VAIBHAV) programme

List of selected fellows

Call 2023

S.No.	Indian Diaspora & Institute (VAIBHAV fellow details)	Indian Host & Institute	Area of Research
VAIBHAV Fellows			
1.	Dr. Mansi Manoj Kasliwal California Institute of Technology (Caltech), Pasadena, California, USA	Prof. Varun Bhalariao Indian Institute of Technology Bombay, Powai, Mumbai	Data Science
2.	Prof. Ajit Srivastava University of Geneva, Switzerland	Dr. Ashish Arora Indian Institute of Science Education and Research Pune	Electronics & Semiconductor Devices
3.	Prof. Subir Sarkar University of Oxford, UK	Dr. Mohamed Rameez Tata Institute of Fundamental Research (TIFR), Mumbai	Data Sciences
4.	Prof. Kazi Rajibul Islam University of Waterloo, Canada	Prof. Subhadeep De Inter University Centre for Astronomy and Astrophysics, Pune	Quantum Technologies
5.	Dr. Dinesh Bharadia Dept of Electrical Engineering UCSD, USA	Dr. Radha Krishna Ganti Indian Institute of Technology Madras, Chennai	Communication Technologies
6.	Dr. Sudhir Dixit University of Oslo, Norway	Prof. Revathi Venkataraman SRM Institute of Science and Technology, Tamilnadu	Communication Technologies
7.	Prof. S Kumar University of Glasgow, United Kingdom	Prof. Velmurugan R Indian Institute of Technology Madras, Chennai, Tamilnadu	Materials & Processing Technologies
8.	Dr. Rakesh Kumar Joshi University of New South Wales Australia	Prof. Kamal Kishore Pant Indian Institute of Technology Roorkee	Materials & Processing Technologies
9.	Prof. Manoj Gupta National University of Singapore	Dr. Jagadeesha T National Institute of Technology, Kerala	Materials & Processing Technologies
10.	Prof. Bharat Jalan University of Minnesota, USA	Prof. Naga Phani B Aetukuri Indian Institute of Science, Bengaluru	Materials & Processing Technologies
11.	Dr. Apoorva Bhatt University of Birmingham, UK	Dr. Swathi Sudhakar Indian Institute of Technology Madras, Chennai	Health, Medical Sciences and Biomedical Devices
12.	Prof. Perumal Nithiarasu Swansea University, United Kingdom	Dr. Ketan Rajawat Indian Institute of Technology Kanpur	Health, Medical Sciences and Biomedical Devices
13.	Prof. Subhas Chandra Mukhopadhyay Macquarie University, Australia	Prof. Bobby George Indian Institute of Technology Madras, Chennai	Health, Medical Sciences and Biomedical Devices
14.	Dr. Apurba Dev Uppsala University, Sweden	Prof. Debjani Paul Indian Institute of Technology Bombay, Mumbai	Health, Medical Sciences and Biomedical Devices
15.	Dr. Sandeep Soni Crispr Therapeutics, AG Boston, USA	Dr. Debojyoti Chakraborty CSIR Institute of Genome and	Health, Medical Sciences and Biomedical Devices

		Integrative Biology, New Delhi	
16.	Dr. Swadhin Kumar Behera Japan Agency for Marine-Earth Science and Technology (JAMSTEC), Japan	Dr. Mukunda Dev Behera Indian Institute of Technology Kharagpur, West Bengal	Earth Sciences
17.	Prof. Prashant Valluri University of Edinburgh, UK	Prof. Rama Govindarajan International Centre for Theoretical Sciences, TIFR, Bengaluru	Earth Sciences
18.	Dr. Rakesh Kumar Finnish Meteorological Institute, Helsinki, Finland	Dr. Chandan Sarangi Indian Institute of Technology Madras, Chennai, Tamilnadu	Environmental Sciences
19.	Prof. Sunil Mithas University of South Florida, USA	Dr. Gaurav Dixit Indian Institute of Technology Roorkee, Uttarakhand	Management
Distinguished VAIBHAV Fellows			
1.	Prof Emeritus Arogyaswami J Paulraj Department of Electrical Engineering Stanford University, USA	Prof Prasanna Chaporkar, IIT Bombay	-
2.	Prof. Jitendra Malik University of California, USA	Prof. Nitin Saxena, IIT Kanpur	-
